# foreword

It was an honor for me to be chosen editor of the 1956 Pine Whispers. I have tried to do a good job, but this would have been impossible without the aid and co-operation of my staff, the students, faculty, and merchants of Ashland.

I wish to take this opportunity to thank all those who have helped in any way to produce this book. To my staff I give special recognition.

Kay Douglas,  
Editor

## IN MEMORIAM

Rev. Willis E. Ronk, member of the Ashland College faculty, was well-known. He was a former pastor of the Park Street Brethren Church, president of the board of directors of the Brethren Publishing Company, dean of the seminary at the college, and president of the Missionary Board.

Rev. Ronk attended Ashland College and the University of Chicago and was graduated from Juniata College with an A.B. degree. He received his B.D. degree at the Union Theological Seminary, and his Th.M. degree from Xenia College in Pittsburgh. Prior to joining the Seminary faculty he held pastorates at Clayton, Ohio, Myersdale, Pa. and Goshen, Ind.

Students who were in Rev. Ronk's classes grew to know him as a friend. The college mourns the death of its professor and extends its sympathy to his family.

## DEDICATION

To Miss Helen Shively, reference librarian of Ashland College, we dedicate this 1956 Pine Whispers. For her never-ending work both in the library and in campus affairs we feel she is worthy of special recognition.

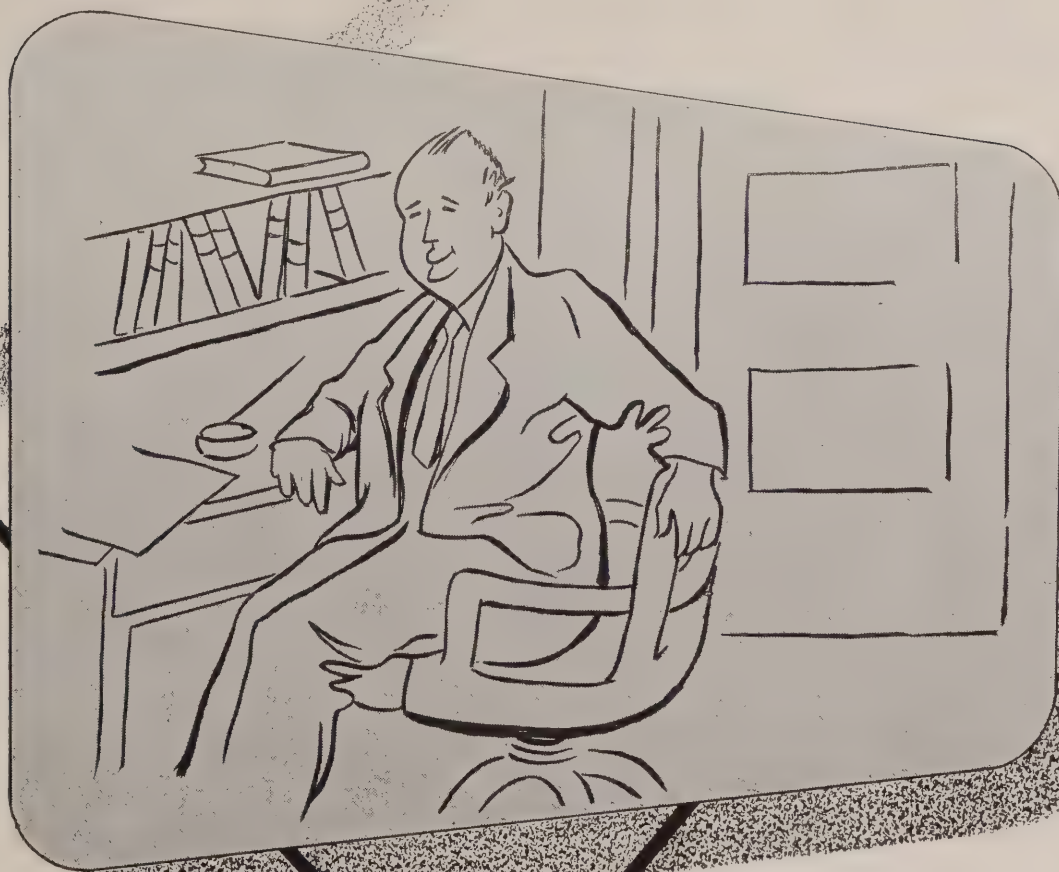

"Shive," as she is known to all students, has become a friend to all those who pass through the library doors. We take this opportunity to thank her by extending her this honor.

These former coaches of Ashland College were honored at the Homecoming football game this year. Do you recognize the gentleman fourth from the left? Yes, it's our own George Donges.

Pi Kappa Pi held a Homecoming tea in honor of their mothers. Here in the Home Economics room we find several members and their mothers:

Back:

Pat and Roberta Long and Mrs. Long.

L. Front:

Nancy Allmendinger and Mrs. Allmendinger, Norma Huston and Mrs. Huston, Shirley Fike and Janice Snyder.

R. Front:

Nancy Dorrington and Mrs. Dorrington, and Shirley Klenk.

Queen Dixie is about to receive a congratulatory kiss from her escort, Jack Augenstein. Freshman attendant Gloria Kohler is at left and ex-queen Connie Pastor and escort Tom Young are at right.

A big event for Homecoming this year was the Ox Roast sponsored by the Alumni. Many enjoyed the rich, tasty meat prepared by excellent "cooks." The top picture shows only a portion of A.C. alumni, parents and friends joyfully devouring the animal. The lower picture shows the pit where the ox met his match, as well as a few of the servers.

A. C. students showed great enthusiasm this year as a new program was launched on campus — that of the World University Service, which helps to provide financial aid to foreign students for the purpose of securing a college education. Earle Chandool, a junior from Trinidad, served as chairman of the program. This is only one of the posters made by his committee. With him are Student Council president Chuck Huff, and Jim Mackall.

Frosh Janet Klingensmith, Jim Garyard, and Wilbur Bowers perform for the upper-classmen in the Nest during Freshman Initiation.

Jack Purtell hooks in another two points against Oberlin as Hershey and Zody move in for the rebound.

The first event of the year is the Faculty Reception to acquaint the students with all the professors. At left Student Council president Chuck Huff stands at the door ready to receive a group of girls. At right is a group of faculty members in the reception line.

Even though the Eagles lost to Slippery Rock they played a fine game, both on offense and defense.

It seems the faculty doesn't realize the amount of work it gives its students. Poor Alma is snowed under with assignments. It's no wonder she needs a hot water bottle and a box of Alka-Seltzer.

These three Junior girls were among the Pi Kappa Pi pledges this year. Armed with paddles and a beautiful array of jewelry and the like, they were initiated into the fine arts club. Don't they look pretty?

McDowell Auditorium was jumping Feb. 28 as the one and only Stan Kenton moved in for a top-notch jazz concert, sponsored by Student Council. "Stan, the Man," his twenty-piece band, and song stylist Ann Richards kept feet tapping and heads nodding as he presented some of the top popular tunes of the day.

True Love

Why Janice! We had no idea you were so interested in cleaning up the campus grounds. Had you told us we'd have put more bottles on the walk for you to sweep away.

The Oberlin Symphony was once again on the Concert-Lecture list this year. It has come to be a great favorite with the student body.

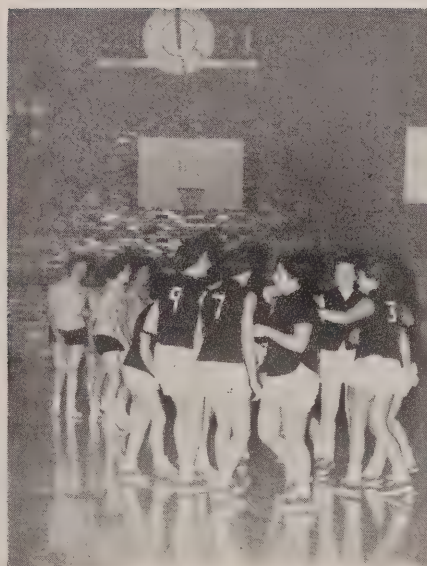

Ron Pratt's high scoring was not quite enough as Findlay edged the Eagles 80-70

Hey, Louise! Do you remember this?  
 Note that final score please.  
 We beat you in the all-star game didn't we?  
 Picture compliments of the "Louies."

## PRESIDENT CLAYTON

Dr. Glenn L. Clayton, president of Ashland College, has greatly expanded our campus since he took office in 1948. Alumni returning after several years gasp at the new look of the campus, all through the efforts of our president. He is responsible for securing the funds needed for new buildings and new additions of all kinds.

This year we were fortunate to receive a new men's dormitory—Jacobs Hall—with facilities for 141 men. The college has been in need of a men's dormitory for a long time and through Dr. Clayton's efforts we now have one of the finest.

## HOMECOMING

Dixie Hyatt is a Sophomore Physical Education major from New London, Ohio.

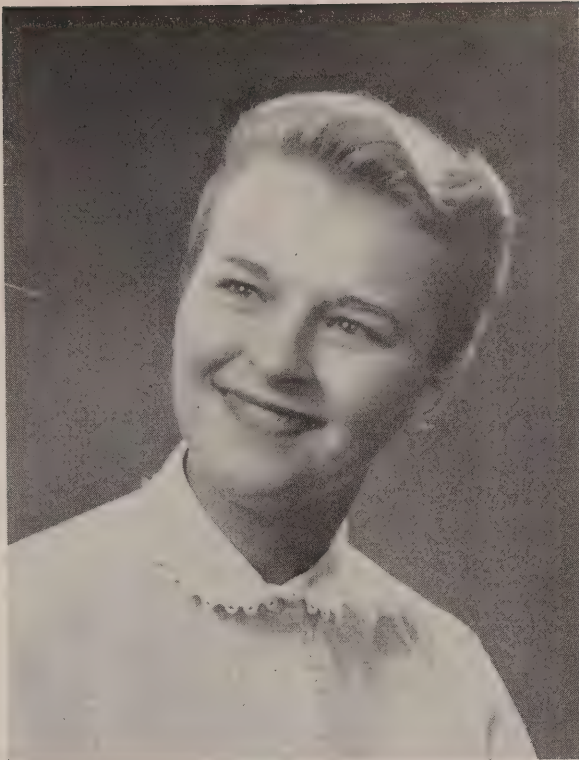

She was chosen by the football team to reign over the Homecoming festivities the weekend of October 21 and 22. Dixie is very active in sports, this year serving as sports manager of W.A.A., as member of the basketball and volleyball all-star teams, and as a very enthusiastic varsity cheerleader.

The dotted line shows Yoder's path as he sailed through the Northern defense for an 80-yard touchdown run.

Dixie's attendants were senior Janice McClain and sophomore Gloria Kohler. Jan comes from Savannah, Ohio and majored in Physical Education. She is also active in sports, being Vice-Pres. of W.A.A., and a member of the basketball and volleyball all-stars, and head cheerleader. Gloria is from Ashland and a transfer student from the University of Florida she was a member of Alpha Omicron Pi. She is also a sports enthusiast.

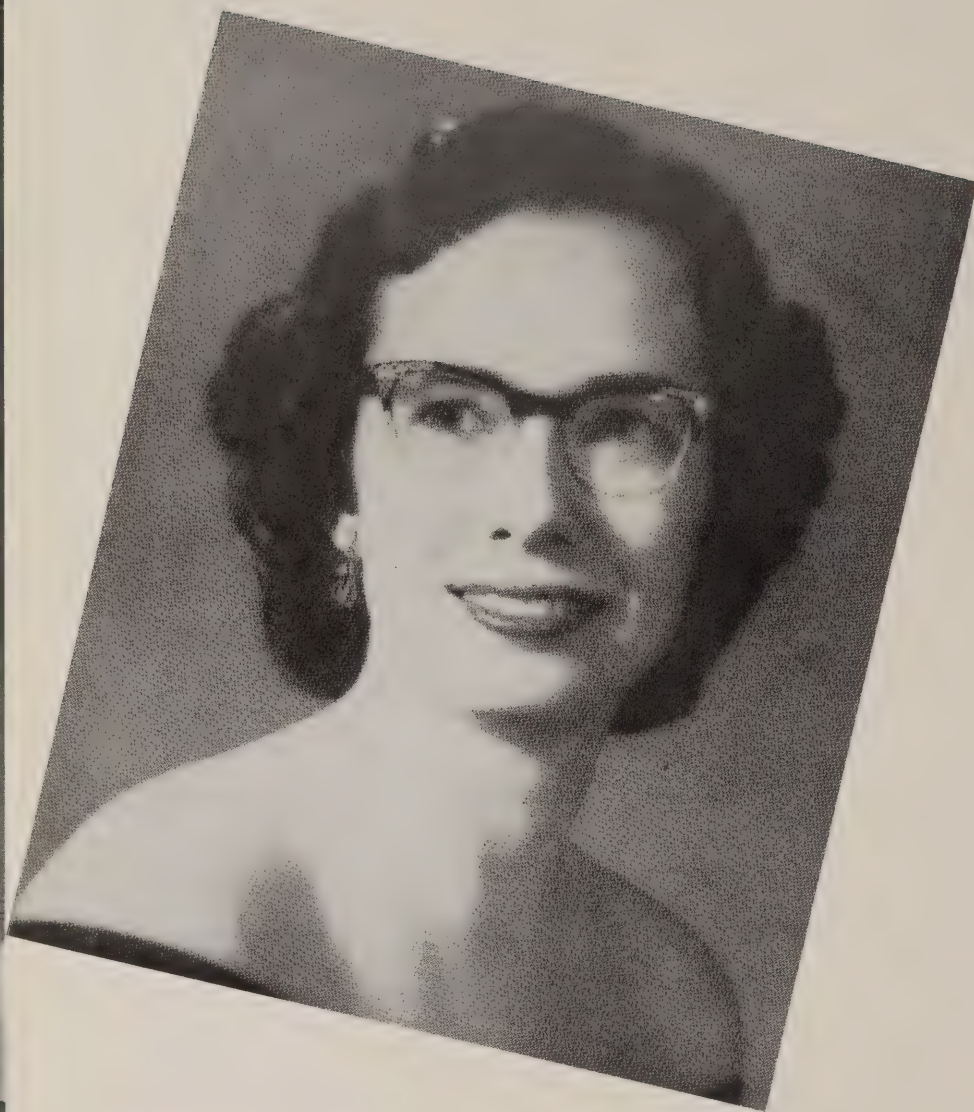

Here it is—the winning float, a result of the combined talents of the YWCA and the Seminary.

Queen Dixie is crowned by former queen Connie Pastor as escort Jack Augenstein looks on.

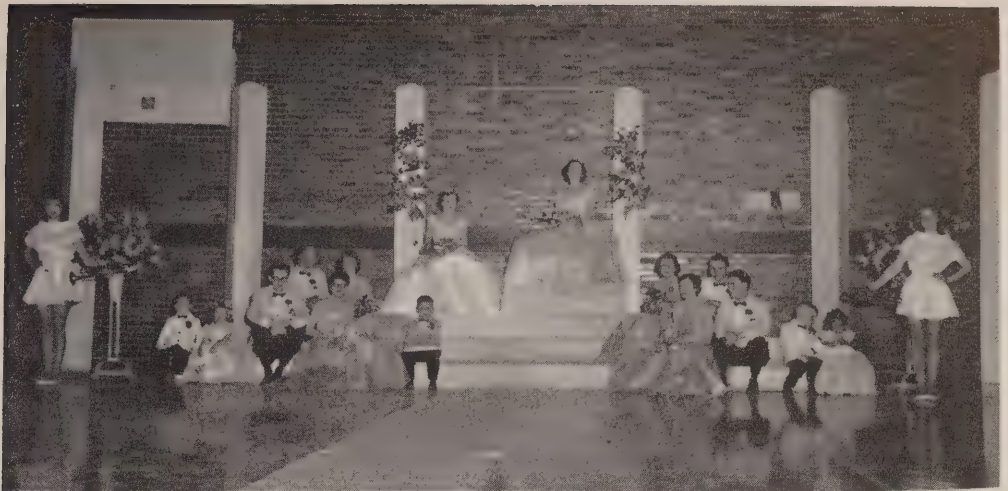

## MAY QUEEN

Norma Houston from Greenwich, Ohio is a Business Education Major who spends a good deal of her time in extra-curricular music activities. A finished musician, she accompanies Chapel Choir, plays for ballet classes, and is a member of the Ashland College Band. She is also a member of Pi Kappa Pi.

We, the Class of 1956, have seen Ashland College during four thrilling years. Never will we forget the night Founders' Hall burned, and all the confusion which followed it.

The student union building, new Founders' Hall, and Jacobs Hall have all been erected since we first arrived on campus. The football team thrilled the student body and created an added incentive in campus life. Not to be forgotten are the consistent baseball and basketball teams that were regular in bringing home victories.

These four years will never be remembered as anything but happy and successful because of the many friends we found. We sincerely thank those who have helped to make these four years the best of our lives.

After surviving our first year at Ashland College we, the Sophomore class, returned to the campus with a little more self-assurance to begin our second campaign. Our most important job as a class was to initiate the incoming Freshmen. This was indeed a task and a pleasure, all of which turned out very successfully. Our Campus Clean-Up Day has been recommended to future initiation committees.

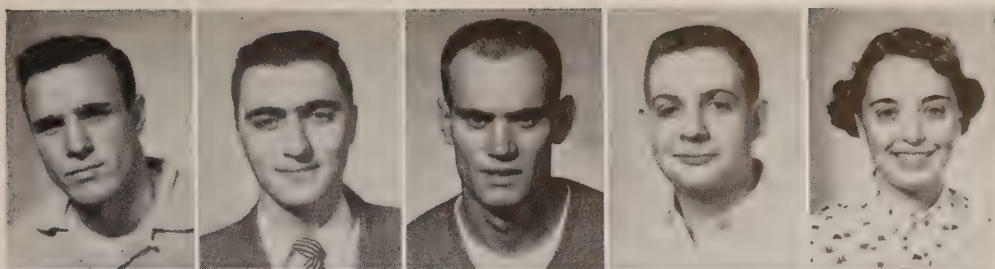

Completing initiation, we settled down to a year of studies, athletics, concerts, and class government. Our contributions thus far have not been enormous, but we hope they have been well done.

The Freshman Class of 1956, composed of nearly two hundred students, proved to be a very enthusiastic group. Everyone cooperated to make it a very successful year.

Soon after school began a meeting was held to make plans for the year. The first of these plans concerned a method of earning money for a Christmas party. It was voted that the class members would sell Christmas cards which were to be designed by Freshman Jack Johnson. This proved to be a successful undertaking and over 1,000 cards were sold. The party was held at the Miller Memorial Building one week before the Christmas holidays.

During the year, five meetings were held after Chapel to discuss various plans the Cabinet had. It was voted to hold another party at Miller Memorial Hall in the spring which again was very well attended.

The Cabinet wishes the class the best of luck in the future.

Two of the many and varied chapel speakers — Miss Charlene Chitamber of Calcutta, India, now a student at Oberlin Conservatory of Music, and a representative of W.U.S. and Dr. Harold B. Kuhn, speaker for Christian Emphasis Week, who has done extensive work with refugees in Germany.

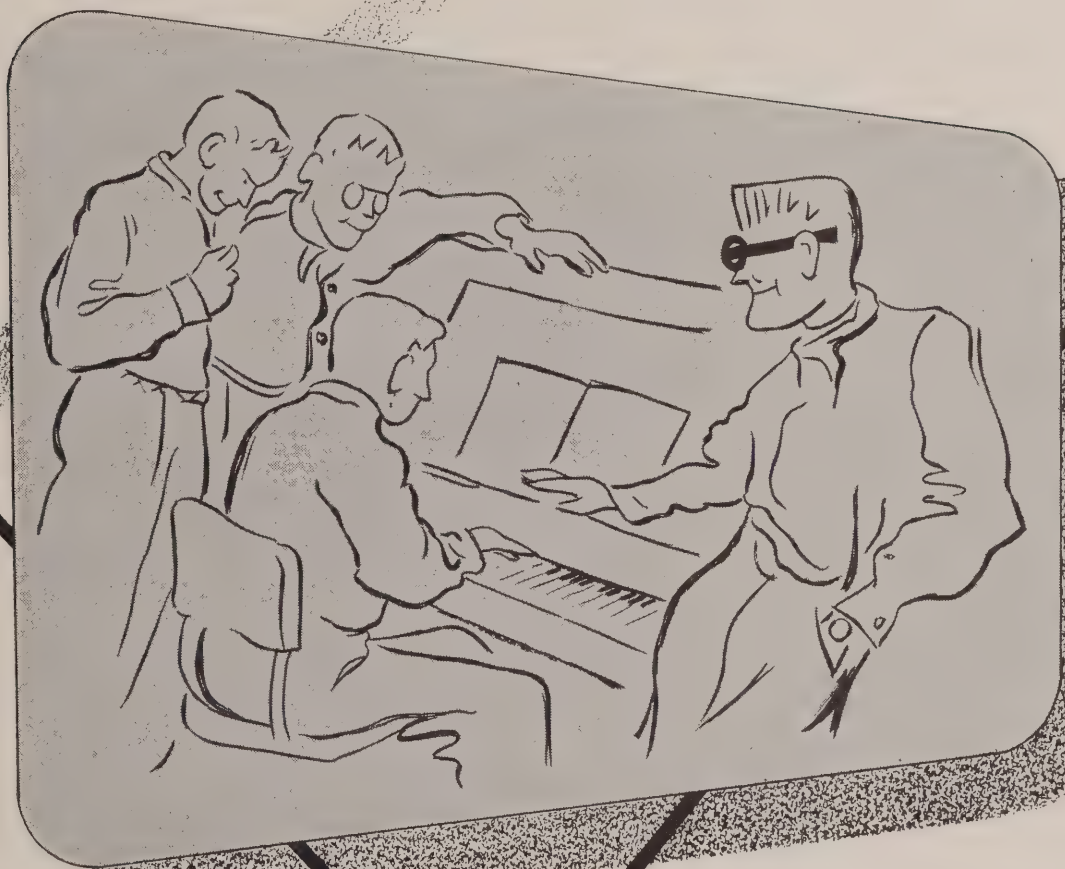

When top-ranking Defiance came to town the Eagles were determined to win—and win they did, as the hilltop athletes scored an astounding upset 102-98 in an overtime period.
